## WORKSHOP

## CAMERA ASSISTANTS WORKSHOP

**December 5 & 6, 2015\***

Participant fee: \$450 CSC Members

\$550 non-members • *Lunch will be provided*

To ensure that camera crews maintain the high standards recognized by the Canadian Motion Picture industry, the Canadian Society of Cinematographers is offering a two day intensive and advanced course on the craft of Camera Assisting

The course will be conducted by working professional camera assistants and cinematographers who will not only teach, but share their wealth of production know-how and technological knowledge gained from years of on-set experience.

### LEARN THE VARIED SKILLS NECESSARY FOR A CAMERA ASSISTANT WORKING TODAY

New cameras and technologies are being introduced into the Motion Picture industry at lightning speed. But, regardless of the platform being used, the on-set craft of the Camera Department remains just as vital and necessary today as it was 100 years ago. The CSC Camera Assistant Workshop will provide its participants with knowledge of the tools and protocols necessary to work in today's fast paced and demanding production world.

### PARTICIPANTS WILL BE INSTRUCTED IN:

- ▶ Tools and ditty bag
- ▶ Information on useful industry apps
- ▶ Paperwork and administration
- ▶ Labeling
- ▶ Slating
- ▶ On-set department
- ▶ First procedures on the set
- ▶ Camera set-up
- ▶ Focus pulling
- ▶ Photographic theory

### HANDS-ON MEANS EXPERIENCE

The CSC believes that the best training comes from doing. The CSC Camera Assistants Workshop will have a classroom component but will also include "building the camera from the ground up" using current digital technologies as well as realistic on-set exercises. Course size will be limited to maximize hands-on time. As a follow-up to this workshop, the CSC offers camera module workshops that will allow on-going skills upgrade to assistants and more hands-on experience at different equipment suppliers with different camera systems. Please check the CSC website for schedules and registration fees.

### LOCATION, LOCATION, LOCATION

Being familiar and comfortable with one's surroundings is half the battle. Classes of the CSC Camera Assisting will be held at a working Camera Rental facility in the City of Toronto.
