

# CANADIAN SOCIETY OF CINEMATOGRAPHERS

*By Professionals, For Professionals*

## WORKSHOP

## LIGHTING WORKSHOP

Participant fee:

\$395 CSC Members • \$550 non-members

### Hands-on means experience

The CSC believes that the best training comes from doing. This two day hands-on lighting workshop offers the participants comprehensive knowledge on the fundamentals of practical lighting setups.

Participants will work in groups and will alternate the roles of DoP, camera operator, camera assistant and gaffer. Each group is assigned a digital camera package and access to a gaffer and electric. Actors will be on hand to contribute to effective blocking and lighting setups. Content shot will be critiqued at the end of each day and a course manual will be provided.

### Topics include

- ▶ lighting concepts and theory
- ▶ colour temperature
- ▶ colour and diffusion gels
- ▶ light fixtures (open face, fresnel, HMI, fluorescents, LED)
- ▶ grip equipment
- ▶ light meter operation
- ▶ single and two camera setups - set lighting

Participants are encouraged to bring a light meter (if you have one) for the practical exercises.

For an application please visit
